SUMMER 2020

Dear Member:

Thank you so much for your patience and cooperation as we have had to adapt our branch operations during the current pandemic.

I am pleased to inform you that all Glass City FCU branch lobbies and drive-ups are now open regular hours with restrictions.

To provide optimal health and safety measures for our members and employees, we are suggesting the following guidelines:

- Continue to utilize our drive-up lanes and 24/7 branch ATMs
- Use Glass City Home and Mobile Banking for 24/7 access to your accounts
- Call the branch in advance for an in-person appointment
- Strive to do your branch banking alone
- Wear a face mask in any of our branches
  - Single-use masks will be available as needed
  - Our staff may ask for masks to be removed or moved for proper identification
- Use our social distancing floor decals to follow 6-feet apart guidelines
- Hand sanitizer is available for your use at our branches; no hand shaking

When you now enter our branches, you will notice temporary plexiglass germ shields have been placed at teller stations and office desks; our staff will also be frequently sanitizing "high-contact" areas within our branches. In addition, you will see that our employees are wearing face masks, and some may be wearing disposable gloves. Please also note that our coin counting machines at our Maumee and Alexis branch locations are not available for use.

We will continue to follow recommendations from federal, state and local health officials in regards to the pandemic. Please visit our website for updates and contact your nearest branch if you have any questions.

Sincerely,

*Mark Slates*

President & CEO
